Goblin Raider

Goblin warriors that have survived many battles are often well armed and skilled in the ways of killing. These are the best warrior the goblin tribe has to offer, and the most deadly. The Goblin Raider is a cunning foe, skilled in the use of the jagged blade and the arts of murder.

Goblin Raider FAQs

Common Cards

Raider:

Either move a Raider and play another War Band Card on him or another Raider, or move and make and attack. (Note that the attack must be completed after the move portion of the action) Pay the activation and you can move up to three Raiders each 5".

Skilled Killer:

Good combat card. Either move a Raider and then make a melee attack, or pay the activation cost and have up to three Raiders make melee attacks.

Man Killer:

Either move a Raider and then make a melee attack, or if you are attacking a Human character, do so at +2 Category.

Uncommon Cards

Hateful Blow:

Make a move action and then make a melee attack, doing so at +1 Category. If you pay the activation cost, you may do so at +2 Category. Either way, you may then play another War Band Card on the same Raider, or a different one.

Steady Advance:

Move a single Raider 8", or three Raiders each up to 4". Pay the Activation and you can move as many Raiders as you want, each up to 4". Used as an Interrupt, the card allows you to change the color of one Fate Card into Red, but at -1 value. The max reduction on value is never less than Zero.

Rare Cards

War Horn:

Either Rally all fleeing goblins within 6" of the Horn Blower, or all Goblins within 8" may make a single Melee attack.

If you like this product, try other games from Avalon Games

Arcanum

An exciting adventure game of magic, glory and exploration. Set for 2 or more players, the game uses a unique chip system to resolve all events and encounters. Now with four great expansions.

Board Games

Avalon makes some great board games, great games at a great price. Arcanum, Mystic Adventures, Dragon Lords and Junkyard Wars are but a few of our great titles.

Battle Tiles

Battle Tiles, Avalon Games, is a fun, and exciting way to improve your gaming experience. Use these high quality map tiles to create new and challenging battle arenas for your miniature gaming, or use them to create maps for role playing games of all types.

Each square is set to a 1" to 5 foot scale, and each tile is created so you can interconnect them with other tiles to create massive settings for adventure and battle.

At a cost of less than fifty cents a page, and hundreds of possible combinations, you can't go wrong with Battle Tiles, so get started and have a battle to remember.

Avalon Clip Art

Avalon has tons of artwork, all ready for you to use. Great art for a great price is our goal, so grab a handful right away.

Character Portraits

Need a fast picture of what your character looks like. These professional, full color works will fit the bill.

Each set comes with 10 full color portraits of different fantasy characters, each suitable for use in all of the most popular role-playing games.

Sets 1, 2, 3, 4, 5 and 6 are all ready for download, so go get 'em.

Mini-Games

Avalon Games is happy to offer tons of little games, that we like to call Mini-Games, and with over 30 titles, you are sure to find one or more games that will blow your mind. Little, however, does not mean lame. No, these are great gaming gems, just in small bite sized forms. Fun, fast and cheap, they are a great way to get some gaming fun into a short block of time. Have a look, you might be surprised at what you find.

Worlds of Wonder

Worlds of Wonder is a fast, simple to play RPG system designed for use by advanced players who wish to create detailed characters without having to roll on endless charts and deal with endless rules.

After 30+ years of playing, running and designing games, be they RPG's or board games, we at Avalon have come to one conclusion. Its not the game's rules that make it enjoyable, but the people you play with. With that in mind, Worlds of Wonder takes the most important aspect of any RPG, the character creation, and tries to offer players, and their GM, the tools needed to make the time spent playing together well worth the time spent creating the characters.

Worlds of Wonder Expansions

Want more Worlds of Wonder? Try one of the many expansions for the system. More monsters, foes, magic, skill sets and gaming stuff to keep you occupied for weeks, months, hell maybe for a lifetime. Ever expanding, the WoW system is made for gaming fun, so don't wait, have an adventure and enter Worlds of Wonder.

Arcana

Arcana is generic world, designed for use with any Fantasy RPG System, and so the information presented here and in other Arcana expansions will of course be a bit vague as to stats, levels and powers. The intention is to give the GM and players a world rich in personality, history and depth, one where they can seek adventure, but use any RPG system they feel most conferrable with.

The basics of the game world are presented here in the core book, but as expansions are released, the complexity of the world will grow as more and more of its history, dangers and wonders are explored. When it is all said and done, Arcana will become a vast world of detailed and expansive depth, one where that you and your friends can full explore.

Game Geek

Avalon's Monthly game magazine, inside you will find tones of gaming goodness, Free game, add on materials for many of Avalon's titles, and a monthly section dedicated to S&G, Battle Ax and Arcana. Great game stuff each and every month.

**Avalon is a proud participant of Kiva,
making loans that change lives.**

S & G Battle System

Avalon's premier game system the S&G battle system allows you to play skirmish level engagements, and do so with a fast, easy to learn system that also allows for endless expansions and genres. With S&G you can fight battles between fantasy based elves and rocs, or blast off into the cold hard future with space marines and aliens.

Special Abilities

1. Savage Blow (Attack, 3)

Grom can make a single savage attack, often killing a foe outright with a single blow of his deadly scimitar. You must declare this ability is being used before Attack Dice are rolled. On a single attack, Grom may add +2 Attack Dice to his total for that attack. (With no limit to the number of dice that can be rolled)

2. Command (Move, 2)

Grom may use his loud demanding bellows to command other orcs near by. When this ability is used, Grom may activate any one orc character, who is within five squares. This activated character may perform one action. (Note that the character may still take their normal actions when their turn comes up.) Grom may perform this ability but once a turn.

3. Shatter Shield (Attack, 1)

Grom often shatters shields and weapons with his mighty blows. Declare this ability before the Attack Dice are rolled. If Grom scores a hit, instead of doing any damage, he may shatter, and thus destroy, a foe's readied weapon or shield (Your choice.) If the foe does not have a readied weapon or shield, then this ability has no effect. Magical items gain a save. Roll 1D6, and on a roll of 6+, the item resists the effect. Per five points of the item's cost, over the first five points, adds an extra +1 to the die roll is gained.

Battle Axe is a simple to play tabletop system for skirmish level battles. Using cards instead of dice, you will find the game to be less luck based and much more tactical in nature. The rules and cards provide here will be enough to get you started, and new characters and rule expansions are on the way so you can continue to increase both the size and composition of your War Bands.
